## Dadaism

---

By Dietmar Elger

Taschen GmbH. Hardback. Book Condition: new. BRAND NEW, Dadaism, Dietmar Elger, A precursor to Surrealism, the Dada movement stressed the absurd and unpredictable, the illogical and chaotic, lashing out against traditional esthetics and upending artistic conventions. Emerging from the artistic and intellectual milieu of Zurich during World War I, it signaled a re-evaluation of art's cultural relevance in the shadow of industrialized war. Jean Arp, Tristan Tzara, Marcel Duchamp, and Man Ray were among the most famous proponents of Dada, creating works that dared viewers to expand their notions of what might be considered art. This book explains the impulses and theories that gave rise to Dada, the forerunner of conceptual art. Featured artists: Max Ernst, George Grosz, John Heartfield, Johannes Baader, Hannah Hoch, Raoul Hausmann, Kurt Schwitters, Johannes Theodor Baargeld, Hans Arp, Marcel Duchamp, Francis Picabia, Tristan Tzara, Man Ray.

### Reviews

*Totally among the finest pdf We have possibly read through. It usually fails to price a lot of. I discovered this book from my i and dad suggested this pdf to learn.*

-- **Michale Beier I**

*Extensive information! Its this type of excellent study. I have read and i am sure that i will gonna go through yet again once more down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
