Reviews

*A top quality publication and also the font employed was interesting to learn. It is really simplistic but excitement within the fifty percent from the book. Its been designed in an remarkably basic way in fact it is only following i finished reading this pdf where in fact changed me, modify the way i believe.
(Rachel Stiedemann)*

BLUME, España, 2015. Encuadernación de tapa dura. Book Condition: Nuevo. 23X17cm. 80 pp. Francisco de Goya y Lucientes fue el primer artista que intentó, de manera deliberada, crear arte por el arte. A caballo entre los siglos xviii y xix, vivió en un período de un increíble dinamismo cultural y social. Su arte está por encima del caos de su época y es un síntoma de la verdadera revolución de la experiencia personal y el espíritu independiente que se convertiría en el motor del arte moderno. «La fantasía abandonada de la razón produce monstruos imposibles: unida con ella es madre de las artes y origen de las maravillas». así es. Esta colección presenta la historia del arte de forma visual y atractiva. Cada volumen contiene, además de textos muy amenos escritos por expertos en historia del arte, ilustraciones hechas expresamente para esta colección por algunos de los mejores ilustradores del mundo. Históricamente precisos y fruto de una investigación meticulosa, las ilustraciones dan vida a la historia de cada artista y explican el contexto de su obra y sus influencias. Los amantes del arte encontrarán en esta colección una introducción vívida y accesible a la vida y la obra de los artistas.
