Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Microsoft SharePoint for Business Executives: QA Handbook is a quick, non-technical reference for business executives who need to get up to speed with SharePoint and understand how to make the right decision about implementations. With an easy to absorb QA approach and short bite size chapters focused on defined SharePoint subjects, the book follows specific SharePoint situations drawn from real world experience, enabling you to learn from anecdotes and case studies along the way. Microsoft SharePoint for Business Executives: QA Handbook is the perfect companion for business executives or non-technical team leaders who don't want to trawl through a detailed, hands-on functionality guide to get up to speed with SharePoint. If you simply need to understand important implementation decisions or have the confidence to challenge your technical team on an approach, this book will prepare you to ask the right questions and make the right decisions. No prior knowledge of SharePoint is required.
