The Ten Commandments continue to provide both significant prohibitions and helpful invitations for living a moral and godly life in the 21st century. In the latest installment of his popular series examining the basics of the Christian faith, Ron Lavin takes another look at the Ten Commandments and suggests they offer a powerful biblical corrective for a society filled with ethical relativism and moral decay. But they are much more than just a list of do's and don'ts -- they are also the foundation for God's invitation to a full and abundant life. The Big Ten is an ideal group study resource -- each chapter includes a digging deeper section plus stimulating discussion questions, and there are tips to assist small group leaders. The Big Ten is also great for new members, adult Sunday school, and confirmation classes, as well as for personal meditation or sermon preparation. Ron Lavin is the award-winning author of 20 books, including *Turning Gripping Into Gratitude* and *Way To Grow!* (CSS). He is the former Pastor-Director of Evangelical...
