## Russia and the Long Transition from Capitalism to Socialism

---

By Samir Amin

2016. Soft cover. Book Condition: New. 21 cms. 142pp. Out of early twentieth-century Russia came the world's first significant effort to build a modern revolutionary society. According to Marxist economist Samir Amin, the great upheaval that once produced the Soviet Union also produced a movement away from capitalism—a long transition that continues today. In seven concise, provocative chapters, Amin deftly examines the trajectory of Russian capitalism, the Bolshevik Revolution, the collapse of the Soviet Union, the possible future of Russia—and, by extension, the future of socialism itself. Amin manages to combine an analysis of class struggle with geopolitics—both crucial to understanding Russia's complex political history. He first looks at the development (or lack thereof) of Russian capitalism. He sees Russia's geopolitical isolation as the reason its capitalist empire developed so differently from Western Europe, and the reason for Russia's perceived "backwardness." Yet Russia's unique capitalism proved to be the rich soil in which the Bolsheviks were able to take power, and Amin covers the rise and fall of the revolutionary Soviet system. Finally, in a powerful chapter on Ukraine and the rise of global fascism, Amin lays out the conditions necessary for Russia to recreate itself, and perhaps again move...

*Definitely one of the better books we have possibly read. We have read through and I am certain that I am going to study it once again yet again in the foreseeable future. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
