JOHN S BOOK OF EVERYDAY TRANSFORMATION

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Johns Book of Everyday Transformation offers layers of understanding about our place in the Universe and the magic inherent in our daily lives. The depths Johns teachings reach allows us to discover and ignite our own individual spark of Creation, from which all our good originates. The teachings go beyond the mind and the power of positive thinking to show us how to explore, experience and work with all the vast levels of our being to bring about physical, emotional, mental and spiritual healing for ourselves and for the world. John Robert Norman began his study of metaphysics in 1956 with the teachings of Paramahansa Yogananda. He then immersed himself in the gamut of mystical and spiritual traditions and the ancient mystery schools, in the study of comparative religions, both esoteric and exoteric, including the Rosicrucians, Unity, Science of Mind and the Kabbalah studies of the Builders of Adylum, a modern mystery school, which aspires to build the temple within and teaches that love is the only real power in the Universe. His lifelong studies, weave a solid foundation of practical teachings for healing and empowering our lives, teachings that rest on true science and the proven natural laws of the cosmos. John believed true teachings awaken the knowledge we already have within our own souls, instead of leaving us wrestling with ideas we have to try to believe in but that ultimately disappoint. Truth isnt something we have to understand but something we experience and simply know, and once known ripples through our lives changing everything. The information in each chapter logically builds from the preceding one, so that the reader is able to grow in...
