## A History of the World in 101/2 Chapters

By Julian Barnes

Naxos Audiobooks on Brilliance Audio, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 170 x 135 mm. Language: English . Brand New. A History of the World in 10½ Chapters tells a series of apparently unconnected stories ranging from a woodworms-eye-view of the journey on Noah s Ark to an astronauts quest for its final resting place. There is pastiche and learned disquisition; there is heart-stopping documentary and heart-lifting revelation. But these stories are not separate. They are all linked by a complex weave of inquiry into history itself, into love, myth, and fabulation. Its about everything that matters, told with brilliant imagination, intelligence, and humour.
