KALEIDOSCOPE: A VISIT TO THE CARNIVAL FLIP BOOK PUZZLE

Lulu.com, United States, 2014. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This is another in my series of flip book puzzles. In this book I have taken photographs of a special trip to the carnival at the county fair and created kaleidoscope images of each. It will be your job to examine the pictures then look for the matching kaleidoscope. The images are bright, the kaleidoscopes are interesting, and it is a lot of fun looking for the visual clues in each kaleidoscope that will identify the picture from which it is made. Puzzle lovers of all (ages-9-up) will be able to solve the puzzles in this book. Younger children may enjoy solving the puzzles in this with a little help. I hope you enjoy this book as much as I enjoyed creating it.
