Shambhala Publications Inc, United States, 2008. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. The Dalai Lama often says Kindness is society. By learning to live from a more compassionate viewpoint, Jeffrey Hopkins writes we can create a better life not only for ourselves but for everyone. In A Truthful Heart, Hopkins uses Buddhist meditations (including the Dalai Lama s favorite), visualizations, and entertaining recollections from his own life to guide us in developing an awareness of the capacity for love inside us and learning to project that love into the world around us. Delivering a potent message with the power to change our relationships and improve the quality of our lives A Truthful Heart is the ideal book for an age in which our dealings with each other seem increasingly impersonal-- even violent and aggressive. Anyone seeking release from anger and hurt or simply wanting to increase the love and caring among us will welcome this timely vision for humanity. This is a new edition of Cultivating Compassion.
