TOWN AT THE END OF NOWHERE

Createspace, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Preface Lyn offers Town at the End of Nowhere - for those of you who love the strange world of dreams; because that s how this story took shape - in Lyn s dreams. Getting turned around and lost is no fun for anyone - especially when you end up in an otherworldly place earmarked with evil, and you can t find your way out; and no one (but the creepy people you encounter) knows where you are, and they (like their surroundings) are locked in a vaporous vacuum of voiceless nothing, which they either accept or are helpless to escape, and have settled into some sort of malcontent mode and seem perfectly at peace with your plight - and are unwaveringly determined to keep you there. Watch the road less traveled.
