Rowman & Littlefield. Hardback. Book Condition: new. BRAND NEW, 101 Uses for a Maine Coon Cat, Down East Books, Aside from being the official state cat of Maine, and the second most popular cat breed in the United States, Maine coon cats are widely known and appreciated for their charm, charisma, and handsomeness; and Maine coons are quite playful and more vocal than most cats. This clever and delightful little book shows that, more than just a pretty face, Maine coons can serve a wide range of duties beyond simply being your adorable companion. Whether you need a boot warmer, piano tuner, or even a dog-sitter, the coon cats in this collection are willing and ready to help out their owners in any way they can. Beyond their size (male coon cats can weigh more than 20 pounds), the tasks these cats take on for their owners, proves once and for all that the Maine coon is the king of cats.
