Pages Number: 166 Publisher: Zhejiang University Press Pub. Date :2010-06-01. superior training classes to improve: English Year 7 (Vol.1) (outside the research version). Introduction: the content and requirements of secondary school textbooks based on the majority of students learning-based. did not fully consider their individual requirements. just consider the universal nature of this study for those students who have spare capacity is a pity. After the majority of secondary school teachers and students repeatedly solicited the views and fully carry out market research. we feel it is necessary to plan a set for most students. but also to meet those hungry students required supplementary books. Based on this. we organized a senior secondary school teachers and educational front-line experts repeatedly demonstrated. planning a junior high school classes to improve the learning Kepei excellent series. Books. including language. mathematics. English and science four. seven. eighth grade was divided into two. one for the entire ninth grade (ninth-grade science is still sub-volumes). Series of columns written in the design and features: series of volumes synchronized with the corresponding supporting materials subject to class prepared for the unit. Each lesson includes learning requirements. typical problem analysis and reviews. as well as three extra-curricular training. A typical example. can comprehend by analogy; Comments enlightening. can learn by analogy; three structured exercises. followed by progressive. step by step guide students. Books focusing on personality development of students. a considerable amount of design to improve training for those school has spare capacity to provide students with excellent learning material. Refined selection of books. all materials are selected from all over the exam questions. with a very typical. science. guidance. projections and training value. Books...
