Clare de Vries dreamed of chucking in her job and Thelma and Louise-ing it around the United States. Which is exactly what she did. Except that Louise was her nineteen-year-old chocolate brown Burmese cat Claudius. From celebrity pet hair stylists in New York to brown bears in the Appalachians, from astronauts in Nashville to Elvis' shag ceiling in Graceland to voodoo snakes in New Orleans, the unlikely couple just about kept their Guccis intact and even learnt to read a map.
