Reviews

These kinds of book is every thing and helped me hunting forward plus more. It is probably the most remarkable book we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Everett Stanton)

WHAT IS AFRICAN AMERICAN RELIGION?

Augsburg Fortress. Paperback. Book Condition: new. BRAND NEW, What is African American Religion?, Anthony B. Pinn, Sketching the religious landscape of African American communities today, the volume makes explicit the tension in traditional conversations about black religion that privilege either Christianity in particular or simply organizations (with doctrines and creeds) in general. Discussing the misunderstandings and historical inaccuracies of such views, Pinn offers an alternate theory of black religion that begins with a basic push for embodied meaning as its core impulse.
