

Experimental Course Series car tutorial in the 21st century experimental single-chip system applied talents auto majors planning materials

By WANG JI ZHONG

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Paperback. Publisher: China Electric Power Pub. Date :2009-03-01. This book describes the development and design tools commonly used application microcontroller experiments. single-chip-based experiments and comprehensive experimental. single-chip system with the experimental vehicle. etc. to highlight the typical car circuit with a microcontroller system design. programming and experimental operation. The book is divided into five chapters. including 25 pilot projects. Chapter 1 is a single-chip integrated circuit design. software development environment and application experiments. the relatively common practice of single-chip development and design T with the use of methods. Chapters 2 and 3 are single-chip instruction and program design experiments. single-chip features and interface experiments. these two chapters for a microcontroller-based experimental content. Chapter 4 is a single-chip integrated experimental system provides a common application examples and comprehensive practice opportunities. with a strong comprehensive. well as provide the basis for experiments in Chapter 5. Chapter 5 is a car with single-chip system experiments. Arranged for five typical automotive MCU system pilot project. so that readers understand the microcontroller through the experimental system in the vehicle application. learn the typical MCU...

Reviews

It becomes an awesome publication that I actually have actually read. It really is writter in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This pdf might be really worth a go through, and far better than other. It can be packed with wisdom and knowledge Its been written in an exceedingly straightforward way and is particularly only soon after i finished reading through this pdf by which basically changed me, modify the way in my opinion.
