Indiana University Press. Paperback. Book Condition: new. BRAND NEW, The Angel and the Serpent: The Story of New Harmony (New edition), William E. Wilson, Here is the story of George Rapp's German Harmonists and Robert Owen's Idealists - the two vastly different communities that shaped the history of New Harmony, Indiana. Both the Rappites and the Owenites came to New Harmony to conduct communal living experiments - Rapp expecting the millennium; Owen believing he had brought the millennium with him. Although the two men were motivated by different ideas, they shared the same goal: to see their people live together in happiness and peace. Their two experiments are probably the best known and most interesting efforts at establishing alternate or Utopian communities in America.
