There came to the English throne James Stuart, King of Scotland, King now of England and Scotland. In 1604 a treaty of peace ended the long war with Spain. Gone was the sixteenth century; here, though in childhood, was the seventeenth century. Now that the wars were over, old colonization schemes were revived in the English mind. Of the motives, which in the first instance had prompted these schemes, some with the passing of time had become weaker, some remained quite as strong as before. Most Englishmen and women knew now that Spain had clay feet; and that Rome, though she might threaten, could not always perform what she threatened. To abase the pride of Spain, to make harbors of refuge for the angel of the Reformation-these wishes, though they had not vanished, though no man could know how long the peace with Spain would last, were less fervid than they had been in the days of Drake. But the old desire for trade remained as strong as ever. It would be...
