A gripping and touching story of how the precarious relationship between two brothers is tested when they both fall for a very special girl. Greg and Michael are brothers, but they don't get along. Ever. Now Greg is going to miss the hottest party of the year, and it's all Michael's fault. Instead of having fun with his friends, Greg finds himself, saddle sore and grimy, searching all over the high Rockies for a stray horse with Michael, their father and Holly - a girl with thick bones and thick glasses. Definitely not the kind of girl that usually catches his eye . . . This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
