*****. This book is an upgrade to phpMyAdmin Version 2.8.

Written by a member of the development team, this book serves as a comprehensive guide to helping you unlock the full potential of phpMyAdmin 3.8 phpMyAdmin Providing a powerful graphical interface for managing MySQL, phpMyAdmin is one of the most popular open source applications. While most MySQL developers use routine features of phpMyAdmin every day, few are aware of the power and potential of its advanced features. This book builds a solid understanding of the core capabilities of phpMyAdmin before walking you through every facet of this legendary tool. MySQL Used by millions of developers, MySQL is the most popular open source database, supporting numerous large dynamic websites and applications. MySQL has acquired this wide popularity by virtue of its open source nature, performance, reliability, robustness, and support for various platforms. However, this popularity has also been helped by the existence of phpMyAdmin, the industry standard administration tool that makes database management easy for both the experienced developer and their novice. The powerful graphical interface...
