By Rob Hudelson

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.All in one book: 1. The 1689 London Baptist Confession 2. The Baptist Catechism 3. The Declaration of Independence and 4. The Constitution of the United States Quietly placed in the homes across America, secretly biding their time, preparing the next generation to rebuild what remains of American culture, there are Christian parents doing family worship; participating in the greatest cultural overthrow yet mounted against socialism, progressivism, and all other forms of humanism. This little book will be a most effective aid to those Christian parents as they seek to prepare their families to engage in the current battle for the soul of our nation; a nation with memorial stones crying out Christ's glory. Meant to be a companion to the Bible- which is alone inerrant and infallible-these documents provide a summation of the theology that brought liberty to the world by forming the worldview of the American Founding Fathers. May we raise up a generation who understand the times and will not shrink back in the day of battle.
