THE OPTIKODES ANSWER: THE BREAKTHROUGH LEARNING PROGRAM FOR STRUGGLING STUDENTS

OptiKodes LLC. Paperback. Book Condition: New. Paperback. 174 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. Have you ever wondered why some kids in school sail through English, but not science Or why some children are natural-born athletes, while others have above-average artistic ability It turns out that each of us is a specialized learner far more specialized than we realize. This book shares an important new learning technology that has the power to get every struggling child on track and headed toward success. In The OptiKodes Answer, Kimberley Blackburn shows how the traditional education system misses the mark for 40 of all children. These multisensory learners struggle in school through no fault of their own. Homework battles and loss of self-esteem are the result. But there is a way out. The OptiKodes Answer says that home is ground zero for turning the plight of struggling students around. With a 100 success rate in getting struggling students to grade level and beyond over the last fourteen years, Kimberley Blackburn is on a mission to teach parents what she knows. Every child learns through five different modalities: seeing, hearing, moving, reading, and thinking. But some of them lie dormant. When reading is a dormant learning modality, a child naturally struggles in a school system oriented toward reading. With the OptiKodes System, parents first discover the individual learning style of their child. A simple assessment reveals the order of their child's learning modalities, from most-dominant to most-dormant. With this understanding, parents can use the OptiKodes System to help their children learn how to learn in the most effective way for them individually. Parents can now take charge of their child's learning with the OptiKodes System. With the OptiKodes System, the time spent working with their children at home gets optimal results. The OptiKodes Answer addresses...
