So often when we read the Old Testament, all we notice are the superheroes of faith - larger-than-life men like Abraham, Moses and David. We may have trouble relating to men of such spiritual stature. We think, I ll never have the faith of Noah or Joseph. But there are other people in the Bible, unsung heroes whose lives and faith made a difference on a smaller scale - people more like us. We can identify with people like Ithamar the list maker. Or how about Caleb, Nabal s servant and Ebed-Melech who all made a stand for what was right? Wanda Robinson s study on relatively unknown men in the Bible is full of lessons on living God s way. Super-power your faith with a look at these unsung heroes (and a few villains along the way).
