Reviews

A must buy book if you need to adding benefit. I have go through and that i am sure that i will gonna go through once more yet again down the road. I am just very happy to let you know that this is basically the best book i have got go through inside my own life and can be he very best book for at any time.

(Eldridge Reilly)

THE REALITY ENGINEERS: VOLUME 2: THE GEEK SHALL INHERIT THE EARTH

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. Strap on your exoskeleton and prepare to blast-off on an adventure unlike any other in this, the rocket-ride of a sequel to William A. Hainline s instant cult-classic, *The Reality Engineers: Volume 1: What Happens At Con Stays At Con*. Three years after the events of *RetCon XVIII*, Dizzy and her friends-Gadget the inventor, Angelus the cosplaying vampire, his girlfriend Buffy, and Dizzy s mentor, Misto-have settled into their new lives in a world where alien invaders are a reality, but where the government is as clueless as ever. Dizzy is now a professor at Wenzel U, and Misto is her right-hand-man at Mjolnir Technologies, the mad-science weapons contractor she inherited from her father Walther. Gadget is hard at work on his Geist-Verstarker Helm, a device which enables him to read others thoughts and manipulate physical reality with his mind. And as for Buffy, she s still stripping her way through school . . . and is busy in the lab, trying to find a cure for Angelus s vampirism-and her own cursed gift of pyrokinesis-induced by a mystic formula invented by Walther years before. Meanwhile, Angelus has become Dizzy s superhero sidekick whenever she s out fighting crime, a fact that renders both Buffy and Gadget jealous. And as for supervillain Noonian Harkonnen? Well, he and his mild-mannered alter-ego Victor are busy trying to find a way to bring Victor s fiance back from the nearly dead. To that end, Noonian has made an infernal deal of epic proportions with creatures from another dimension, one that bodes ill for the entire human race . . . so naturally, it s up to Dizzy and her geeky pals to save the day...
